

# SIMPLE COLLARS

H. L. MAIRGHEAD DE CHESHAM 1/02

1. KEEP IT SIMPLE!!!!

◦ GETTING DONE IS FAR MORE REWARDING THAN HAVING A REALLY COOL EMBROIDERY PROJECT IN A BOX UNDER THE COUCH.

◦ EVEN SIMPLE EMBROIDERY WILL JAZZ UP A T-TUNIC & MAKE IT SOMETHING TO BE PROUD OF

2. PUT THE COLLAR ON BEFORE YOU SEW UP

THE SIDES - THIS MAKES THE APPLICATION FAR MORE MANAGEABLE & LESS FRUSTRATING

3. EMBROIDER LAST!

◦ MAKE SOMETHING WEARABLE FIRST. THAT WAY NO MATTER WHAT STAGE THE GARB IS IN EMBROIDERY WISE, IT IS NOT TAKING UP SPACE UNECESSARILY. UNWEARABLE GARB TENDS TO REMAIN UNWEARABLE, BUT WEARABLE GARB GETS WORN & REMINDS YOU TO FINISH.
